The person selling you or advising you about this product may charge you other costs. If so, this person will provide you with information about these costs and show you the impact all costs will have on your investment over time.

The cumulative effect of costs on return

The total charges deducted for each fund will have an impact on the investment return you might get. Whilst performance cannot be guaranteed, we can give you examples of how the charges will affect what you might get back.

£10,000 lump sum invested in this fund for 1 year with a net growth rate of 0%	
What you might get back if there were no charges at all	£10,000
What you might get back after charges	£9,892.07

The actual costs incurred may differ depending on your investment amount.
