

Cookie Policy

What are cookies and why are they used

A cookie is a small file of information that is saved to the hard drive of your computer and remembers information about the configuration of your computer and will remember that you have visited before and what information was of interest to you.

Our website uses cookies to help the performance of the website and to help us improve your experience when you visit. A cookie typically doesn't contain personal information, but other browsing details such as the domain from which the cookie has come from, the "lifetime" of the cookie, and a value, usually a randomly generated unique number.

Cookies can be classified as persistent or session cookies.

- Persistent cookies will remain valid and functional until their set expiry date (unless deleted by the user before the expiry date).
- Session cookies in contrast to persistent cookies, are temporary and expire when the web browser is closed by the user.

Cookies that SVM use and why

The cookies that we use on our site can be categorised into the following groups:

1. Cookies which aid navigation through the website and are essential for the website to work properly. Some of these cookies only exist in your current browser session whereas other cookies will last for a longer period, as they help us provide you with the best experience on repeat visits to our website.
2. Analytical cookies which enable us to understand how visitors got to our website and how they use our website. This information helps us to improve and develop the way our website works and to assist visitors in finding the content they need more quickly. These web analytics services may be designed and operated by other companies on our behalf. Some of these cookies only exist in your current browser session whereas other cookies will last for a longer period, as they provide us with useful information about repeat visits to our website.

None of our cookies contain personal or confidential information and we will not attempt to identify you from this information. If you agree to our terms and conditions you accept our use of cookies and similar technologies.

Cookie Policy

You can choose to accept or decline cookies. Most web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. If you choose to decline cookies, this may prevent you from taking full advantage of this website. For further details on cookies and how to manage them, we recommend that you visit www.aboutcookies.org, which contains comprehensive information on cookies on a wide variety of browsers.

Below is a list of the cookies used by the SVM website and the purpose for which we use them.
